Three Candidates In October 30th Federal Election Race

William Scott Sets Record Straight

William C. "Bill" Scott stated this week that it has come to his attention that someone has been circulating false and misleading information throughout Victoria-Haliburton Riding concerning attempts on the part of the Town of Beaverton to obtain federal assistance to finance the construction of a community centre.

He said he could think of no logical explanation for these rumours, since they can be discarded so easily, but in fairness to all of those people who have worked so hard on the project he would like to set the record straight.

He first got involved in the project last winter, when he provided the communities of Beaver-

ment grants.

On July 4th a delegation of Beaverton officials, including William Gillespie, Warden of Ontario County and Reeve of Beaverton; John Robertson, the Clerk of Beaverton; Larry Hartmiller and Russell Morrison, went to Ottawa to see Mr. Mitchell Sharp and discuss their application for an L.I.P. grant. Mr. Sharp could not see them, but his executive assistant, a Mr. Church, told them that the deadline for applications was February 2nd, before they had received O.M.B. approval. The delegation then decided not to submit their application.

Later, Mr. Trudeau announced that the L.I.P. program would be revived, with a starting date of November 1st. It has since been suggested that the Beaverton project is too far advanced to qualify for a grant under the new program, but Mr. Scott said he has already initiated enquiries as to whether or not Beaverton can obtain further assistance.

"For anyone to suggest that I have not tried to help Beaverton in this matter is a clear distortion of the truth," Mr. Scott concluded. "I was involved in the beginning, and I am still involved."

David Walling Addresses Students

Liberal candidate David Walling appeared with the other candidates before students at the I. E. Weldon Secondary School and the Lindsay Collegiate and Vocational Institute in Lindsay last week. He told the packed auditoriums of voting and near voting age students: "Keep your eyes and your ears open and find out the truth. The Tories are in trouble because Mr. Stanfield is not cutting it as a leader." He warned the students to beware of politicians saying things out

of context.

Mr. Walling noted that since 1935 there have been 11 parliaments, eight have been Liberal and three P.C. Mr. Walling thought it would be wise for the Victoria-Haliburton area to have a representative who was on the

government side of the House.

Mr. Walling lauded Prime Minister Pierre Trudeau's action in visiting the U.S.S.R. and China. "Moves," he said, "which led to President Nixon going to China a year later with his ping pong team and a move which brought about increased trade with China for Canada."

Walling again pointed out that the recreational designation for Victoria and Haliburton in the Toronto-Centred Plan was very detrimental. "We are zeroed in as a tourist area and we can't survive on that. We can't survive on one industry. You have to have someone say we need more industry, not someone who says 'we can do better' (making reference to the P.C. advertising in local papers)."

Mr. Walling also expressed his

displeasure with the recent P.C. ads which displayed great evidence of bigotry. P.C. candidate William Scott made no reference to the ads at the I. E. Weldon meeting, but when asked by a L.C.V.I. student why he allowed such advertising he replied that he "believed in French Canada". The students vigorously disagreed with Mr. Scott and the policies of the P.C. party he represents. At times the students broke out into a good natured type of booing when Mr. Scott had not replied to a question to their liking.

Maurice Windatt Speaks At Meeting

"We are in the process of electing a new government and I feel many of you will endeavour to make it as new as possible by voting for the New Democratic Party candidate," stated Maurice Windatt, N.D.P. candidate for Victoria-Haliburton, as he spoke to an open meeting sponsored by the Kinsman Club of Bobcaygeon held in the Bobcaygeon Public School last week.

"Bill Scott has been your Member of Parliament for the past seven years and I see evidence that he has done what he could for his constituents. If any of you doubt this, remember that he has had to work within the framework that the Liberal Government has set and on this basis should be given the benefit of any doubt."

The Government tells us there is unemployment, and I believe this, and their Manpower offices say there are only 50,000 jobs available through their offices, and I can believe this also, although I feel there are more than this as many employers bypass their offices because of unsatisfactory results.

The Government tells us we

have high inflation levels, and we all believe this. The Prime Minister tells us he is puzzled with it all, and I believe this.

Our Government took the ceiling off bank interest rates, formerly pegged at 6% and the economy has been in trouble ever since. Of course bank profits increased by 41.3% in the first quarter of this year. Interest rates will be rolled back if the New Democratic Party has its say. Our people could then buy homes, as we would set up land banks to foil the land speculator, and employment would be created in their building. We would also remove the 11% tax on building material to lower the cost and help employment.

I don't think you can say I am negative in my approach, and let not anyone say that I preach gloom when I outline what can be done to make a more just society. We can overcome the last few wasted years if we have a will to do so. It is not too much to ask that the corporate sector of our economy pay their fair share, and only their fair share.

With substantially more of our employed, federal revenues will increase - 100,000 more employed would produce \$1.6 billion in federal revenue, coupled with a fair sharing of the tax burden we can well treat our elder citizens in a way that they can enjoy their later years," concluded Mr. Windatt.

ton, Lindsay, Minden and Haliburton with information as to how to obtain federal assistance for community development projects.

Beaverton obtained an Ontario Municipal Board approval for their centre in late February of this year, and subsequently received \$40,000 in Ontario Govern-

Huskies Training Camp Opens On November 2

Thursday, November 2, is the tentative date set for the opening of the Haliburton Huskies Junior 'D' hockey training camp. Any player of junior age is invited to attend this camp. He must be fully equipped to play hockey as no equipment will be given out until the player has gained a position on the team.

Many of the old Junior 'D' pros who are still eligible to play have either advanced to a higher team or are furthering their education — Botting and Stamp are playing Junior 'A', Hicks is playing Junior 'B', while McCallam, McElwain, LaPorte and Henry are away going to school. Henry has announced that he intends to play all home games and LaPorte will play a majority of the home games.

Eight of the 1971-1972 players will be returning along with many of last year's All-Ontario Midget 'D' Finalists. A newcomer who is Junior 'A' calibre has moved into the area and has asked for a position on the team.

Under the able coaching of Ken Wilson and Brian Black, who have both coached teams to championships and finalists, the 1972-73 edition should be a top-notch team.

Haliburton can boast that they can produce hockey players. Ron Stackhouse, as we all know, has gone to the top; Cam Botting is now playing with the Hamilton Junior 'A' club, Darrell Stamp is with the Niagara Falls Junior 'A' team, while his brother Craig has been playing in the International Hockey League in Clinton, New York. Bev Hicks has gained a steady position with the Oshawa Generals Junior 'B' team

and Tim Stevens, who played for the Midgets last year, is now with the Markham Junior 'C' club.

Any young fellow who has any intention to play hockey for a living or as a means to further his education can not go wrong by trying out for the Haliburton Huskies Junior 'D' team next Thursday, November 2, at 7:30 p.m.

New Road To Be Opened

The District Municipality of Muskoka and the Provisional County of Haliburton have announced that the Ribbon-Cutting Ceremony for the opening of the Vankougnnet-Carnarvon Development Road will be held next Tuesday, October 31, 1972, at 3:30 p.m. The ceremony will take place at the boundary of the District of Muskoka and the Provisional County of Haliburton.

For all those who will be attending the official opening ceremonies may we remind you that you can arrive at the location of the ceremony by travelling east on Muskoka Road No. 1 for twenty miles from Highway No. 11 at Bracebridge or travelling west on Haliburton Road No. 1 for fifteen miles from Highway No. 35 at Carnarvon.

This long awaited new development road shows a great sign of progress and it will now link Haliburton County with the Muskokas. With the opening of this road, thousands of people will have the opportunity to come directly from the Muskoka area into Haliburton County.

Three Injured In Area Accidents

A Willowdale man suffered a fracture and a concussion in a one-vehicle accident that resulted in only \$20 property damage last Friday night. Police said James Spittle, 40, was a passenger in a pickup truck driven by Gary J. Thornington, 31, of Toronto, who was driving north on Highway 519 near the Eagle Lake Road when the vehicle entered the ditch and struck a rock.

Two were hurt in a head-on collision on a curve in Havelock Township about noon last Saturday. Injured were Kim Robinson, 19, of Flesherton and Barbara Delarue, 20, of Toronto, who were among six passengers in a car driven by Kenneth G. Spurling, 27, of Toronto. Driver of the other car was Lawrence A. Everett, 18, of Kennis Lake. Damage in the crash totalled \$1,600.

Blood Donor Clinic Attended By 128

A Blood Donor Clinic was held in Haliburton on Monday, October 23, in the Royal Canadian Legion Hall when 117 persons donated blood. Eleven donors were rejected for health reasons, but are to be commended for turning out. A total of 106 pints were collected. This was down considerably from last year.

The Haliburton Branch of the Canadian Red Cross Society are once again most grateful to the Highland Chapter of the Eastern Star and also the North Entrance Lodge A.F. & A.M. of Haliburton for their able assistance, as well as to all Red Cross committee members.

Remembrance Week November 5th to 11th

The Dominion President of the Royal Canadian Legion has proclaimed "Remembrance Week" from November 5th to the 11th — a time when the nation will pause to renew its thanks to veterans and those still in active service, and to honour those who gave their lives to insure our freedom.

On Poppy Day, Saturday, November 4th, members of the Haliburton Branch of the Royal Canadian Legion will be joined by the Ladies' Auxiliary, school children of the surrounding districts, and other volunteers in an effort to canvass the area for the sale of poppies, wreaths, crosses and sprays. Your donations to the Poppy Fund will assist in two ways. First, the local branch purchases these emblems from "Vetcraft", a firm whose employees are disabled war veterans who depend on the manufacture and sale of these symbols to earn their livelihood. Secondly, by the resale of these emblems by the local branch, funds are made available to help veterans of this community and their dependents in times of illness and financial emergencies. All proceeds realized from these sales are deposited in a trust account for the sole purpose of providing such assistance.

We hope everyone will wear a poppy — "The Flower of Remembrance" — or display one of the other emblems during Poppy Week. Haliburton Branch 129 will make every effort to contact everyone within its district to insure that wreaths, etc. are made available for the decoration

of veterans' graves, memorials, cenotaphs, public buildings and business establishments. These may be purchased from canvassers who will be calling on you within the next few days, and they will also be available for sale at the Legion Hall.

Remembrance Day services will be held in the Haliburton Legion Auditorium on Saturday, November 11th, commencing at 10:00 a.m., to be followed by a parade to the Cenotaph on Highland Street for the laying of wreaths and the act of remembrance at 11:00 a.m. Everyone is invited to take part in these services.

A. D. Pennycook,
Chairman, Poppy Campaign.

Hallowe'en Show Next Tuesday

Next Tuesday night, October 31, is Hallowe'en and all children are reminded to get their costumes ready for the Haliburton Rotary Club's big Hallowe'en Show at the Molou Theatre in Haliburton. The doors will open at 6:30 p.m. and the judging will begin at 7:00 p.m. Prizes will be given for the most original costumes on the theatre stage. The show will feature a new Laurel and Hardy film plus cartoons. There will be no charge of admission for this special Hallowe'en Show.

So come on out, kids, and have a good time.

Annual Legion Fall Rally Held In Haliburton On Sunday

Zone F4 of the Royal Canadian Legion held their Annual Fall Rally in Haliburton on Sunday, October 15, 1972.

A parade was held under cool sunny skies in the Highlands, led by the Haliburton Legion Pipe Band. A large turnout of Legionnaires and Ladies' Auxiliary members marched proudly behind the colour party carrying the flags of the various branches within the Zone.

Parade Marshall for the occasion was Art Plumpton, Zone Sgt.-At-Arms. A wreath was laid at the Cenotaph by the Acting District Commander, John Maw of Oshawa.

After returning to the Legion the meeting got underway with Zone Chairman Ian Scott in the chair. Roy Bates, President of the host branch, opened the meeting with the Legion Ritual, after which he extended a hearty

welcome to all present.

Roy Brohm, Reeve of Dysart, brought greetings from the people in the area and mentioned how strong the Legion was in this area and what they do for the community.

Branches present at the Rally included Kinmount, Bobcaygeon, Fenelon Falls, Cardiff, Omeme, Woodville, Cannington, Brechin, Lindsay and Haliburton.

Reports were heard from the various presidents throughout the Zone and these proved that the Legion is doing its part within this area. Many improvements are being attained to some of the Legions in the Zone, showing a greater interest in helping to keep the Legion the great organization that it is.

Reports were also heard from the chairmen holding positions in the Zone.

PIERRE'S DIFFERENT THIS TIME AROUND

Canadians, fairly phlegmatic in most ways, are mercurial in their voting. They've shown that since confederation, swinging now behind one party, then turning it out for a while, then putting it back in power.

John Diefenbaker swept the country with his fire and vision at just the right moment. Not many years later, he couldn't even win a convention for leadership of his own party.

And I confess with a slight blush that I'm no exception. At one time or another, I have voted for candidates of all three major parties, and would probably have cast a vote for Social Credit if I'd ever had a chance and the right man had been running.

How about you? Have you made up your mind yet, or are you still looking over the field and wishing there were some other alternative, such as Mao-Tse-Tung or Guy Lombardo?

It's hard to choose. The present government has not exactly won wild plaudits in the last four years. It has achieved little in cutting expenses and taxes, in fighting inflation, in creating employment, and in buying Canada back from foreign investors. It is doubtful whether any other party would have done better.

How about the Prime Minister? Can he swing it virtually on his own, as he did last time? From my tiny vintage point, it looks as though he's running scared.

Last trip around, he had an enormously favourable press. He was something new and exciting, a swinger with a razor-sharp mind and a charming shrug. The women loved him.

But now he's an old married man with a family, the press has soured, and you don't hear that word "charisma" being tossed around. He's deadly serious in his commercials. He is resorting for the first time to the old backroom politics with what look suspiciously like election bribes to various parts of the country.

What would he do if he lost? I think he'd pick up his marbles and go home. He's always been a winner, and he has none of the parliamentary skill, the patience and the doggedness that make a good opposition leader.

Well, then there's honest Bob Stanfield. He's hard-working and oozes integrity and is intelligent. But lordy, lordy, if only he'd take a course in public speaking. He'd probably make a solid but uninspiring prime minister. But is it worth it to change the whole government for a fellow

whose slogan is about as fatuous and feeble as you'd find: "We Can Do Better." Better than what? Better than nothing, a good Tory might retort. Even that isn't good enough.

There's something I can't stand about David Lewis, head of the N.D.P. He's smarmy. He has only one tune. And he has that old-fashioned belief that there's a Big Business rapist forever hiding under the bed of that perennial spinster, the Canadian socialist party.

That leaves Real Caouette. There's a real firebrand for you. I'd rather listen to one of his speeches, even though I can barely follow it, than any given number by shrugging Pierre, bumbling Bob and I-can-give-it-to-you-wholesale David.

If I were a rural French-Canadian, I'd certainly say, "Dat Caouette is de bes' bet."

Well then, what in the world does one do? It's easy for the faithful of any party. They'd vote for an ape if he were running on the party ticket. Some of them are so rigid that they'd even vote for a woman.

But the rest of us are faced with the same old spectacle: the government desperately shoring up the old levee, and the others all howling that they will do this and that and thus, if only.

That makes us get down to the local level and take a look at the candidates, trying to disassociate them from their leaders. In my riding, we have three. There's the incumbent, a Tory, a doctor, an elderly man who is a master at politicking and never misses a fiftieth anniversary or a ninety-th birthday in the riding.

We have a handsome, youngish lawyer who has done a lot of work in municipal and service club affairs, and sings at weddings. And we have a university student, full of ideals and somewhat blinkered when it comes to reality. Three generations.

And do you know who is going to win? The elderly doctor, who has been years in parliament and should have retired gracefully, after making a mark on the face of our history that could be wiped off with a kleenex. Because this is a Tory riding, and that's it.

The student will get his lumps, the lawyer will get some experience, and the old gentleman will get the gold ring.

Well, that's elections, and I can't even tell my wife how to vote, because she thinks Trudeau is still sorta cute and Margaret is beautiful.

My guess? Liberals back in with a minority government.

Trip To The Maritimes - SEPTEMBER 23, 1972

Fred made two pick-ups, and we left Lindsay at eight.

The first day we travelled the mileage was great!

A rest stop near Trenton at a fine Service Centre For lunch, Upper Canada Cafeteria we did enter.

We crossed into Quebec Province at half-past-one, All the way to "Habitation Motel", we enjoyed the sun.

After dinner Fred took us around Quebec for a ride.

He was our driver and also our guide.

Sunday we saw fish weirs as we drove along the shore.

The wood carver at St. Jean said he employed eight or more.

Morning break, the road to Riviere du Loup was not quite so wide.

We saw long narrow farms, scooped-roof homes and peat at the side.

We saw beautiful coloured leaves as we travelled south to N.B. border.

At Edmundston, at Wandlyn Inn our lunch we did order.

Along the St. John River to Fredericton and Hotel Beaverbrook.

At the Art Gallery and the Church some went out to look.

A ride to Fundy Park and to Hopewell Cape to see the Rock.

Here we stopped for lunch. The lady had a shock.

A visit to the Museum and Beausejour Fort, They closed at five, so our time was short.

Five-thirty in Amherst and the Cumberland Hotel, The movies told the history of Nova Scotia well.

At Tormentine we crossed on a ferry to P.E.I., Here scenes of beauty met the eye.

Red soil, tidy farms and small white churches, Woodley's replicas, L. M. Montgomery's home among the birches.

Lunch. This was a second visit to a Wandlyn Inn, On food they serve, we won't grow thin!

Charlottetown in this town of Confederation, We reviewed the history of our nation.

From Wood Island, a trip across to Caribow, Mrs. Bell and Mrs. Millar, "Happy Birthday" to you.

It was pouring rain Wednesday morning at Antigonish,

Now isn't this "a nice kettle of fish".

Now in Cape Breton, Bell Museum we did see, Then on to the beautiful valley of Margaree.

Cheticamp! Handwork, a beautiful Church, lunch at Laurie's was delicious.

Among us we tasted different kinds of fishes.

What beauty on the Cabot Trail! Up high mountains, then down dale.

Because of Fred's excellent driving We are happy to be surviving.

"How Great Thou Art", the coloured leaves tell the story, They seem to sing and shout in all their glory.

The rain had cleared when we reached Gledghorm Lodge,

This excellent food we'd better dodge.

This group is unusual; three pairs of sisters, and many men, Not counting Fred, would you believe it? There are ten.

The men are good to help Fred with the grips, And they are kind for they don't accept tips!

The drive from Ingonish to Halifax made a very long day, But we visited St. Ann, Sydney and Louisburg on the way.

The next day was one of "do as you please", See the garden, then take a tour, shop or rest at ease.

Lunch. We toured the plant where they process the fish,

If we buy "High Liner" we'll have a good dish.

On through the Annapolis Valley to the Surfwood Motel,

There are some on this bus who play bridge well.

It was raining on Sunday when we started on our way,

Drove thro' apple orchards and came to Grand Pre'.

Visited Haliburton-House and then went on for lunch,

After eating cherry pie and ice cream, we were a happy bunch.

Uniake House displayed charm and grace, so grand We spent a second night at Hotel Cumberland.

Mr. DeNure, our driver and escort, is very fine, He keeps his passengers all in line.

Did you notice how he manoeuvred the bus So we wouldn't get wet — so thoughtful of us.

Magnetic Hill in Moncton, and we travelled on, Had lunch and saw Reversing Falls at old St. John.

Had an unexpected trip to St. Andrew's by the sea, Entered the States at St. Stephen and left our own country.

As we left the Maritimes, I'll finish this rhyme, Stops at Brewer and Montreal will take up our time.

It's been nice to meet new friends, and roam — But it's also nice to travel back home!

— A Satisfied Passenger

Haliburton, Ontario.
Letter To The Editor

Dear Sir:
This is an open letter.
Please plough the roads into some of the heavier populated cottage areas this winter.

I have a cottage on Lake Muskawabish and for several years I have been unable to get to my cottage because the road was never ploughed. It is a great disappointment not to be able to come up to Haliburton in the winter and enjoy your beautiful area.

There are many people in this same predicament.

Don't you realize that when we come to your area we buy your gas for our vehicles, and often your parts and repairs. We buy your food, your hardware, your clothing, and purchase other needy articles you sell. We eat at some of your restaurants and some of us even purchase rooms in some of your motels. We spend money on your souvenirs, your antiques, your post cards, etc.

We, and hundreds of others, want to bring money to spend in Haliburton, so please don't stop us.

If we mean anything to you, please wake up the town councillors to this fact.

Sincerely,
P. Traise.

Bill's family: Betty, Bill, Laurie and Guy

Bill Scott as a family man, and small business man, is interested in and concerned with the future of Canada. Bill wants, as your M.P., to work for Canada and this riding. Bill can wholeheartedly endorse the words of Robert Stanfield when he says: "Let me tell you about the Canada I would like to live in. I want to see Canada a country where the very fact of life will be sanctified and celebrated; where every child will bring with him into this world the right of acceptance; the right to grow at his own pace; the right and the opportunity to satisfy his curiosity about the things around him; the right to live up to his full capacity for understanding and for learning, and the right to love. To be a country in which freedom of thought, freedom of expression, freedom of movement will be available to all citizens. It will be a country whose people are governed gently and responsibly by those men and women who truly wish to serve the common good. A country in which to fulfill man's most profound aspirations and to live his finest dreams. A country where men and women grow old without fear, a place to live your whole life. We have the chance to begin that kind of country."

October Meeting Held By Minden W.I.

On Wednesday, October 18, the Minden Women's Institute met at the home of Mrs. Audrey Walker — it was our first snowstorm, and owing to this and various other activities the number in attendance was small.

A paper read by Mrs. Fairfield was requested to be sent in for publication.

The reports given were very encouraging with the cards sent and cash on hand.

The next meeting will be held on November 15 at the home of Mrs. Lyman Cox, the Secretary, and several discussions were adjourned for that meeting.

"HYLAND CREST" - Haliburton County Senior Citizens' Home

In the old days the older folk sat around the warmth of the stove, the children listening to the tales of the pioneer days while Grandma's fingers were busy knitting and Grandfather enjoyed his old clay pipe.

Now, in our beautiful Ontario, we have one hundred and sixty-seven stately community homes, built for the comfort of the aged and helpless whose past years of toil has made wealth and beauty of virgin forests. We, as Canadians, have been a happy folk and still are, thanks to our inheritance from early generations and a healthy climate — but development brings change, now the children are away in schools, the parents have freedom, easy transportation and money to travel. What happens to the older folk who wish for no part of this kind of life — they cannot be left alone as quite often they are unable to care for themselves. For their comfort these "Homes" have sprung up and we have 167 in our province.

On driving northward on Highway 35 through forest clad hills you reach a rock cut and on emerging the view of Minden Village lies spread over the Gull River valley and surrounded by forest clad hills east, north and west. Do drive slowly and not miss one of the prettiest villages in Ontario. Comfortable homes adjoin each side of the river for

two miles spreading east and west and also northward along the historical Bobcaygeon Road. Before the construction of this road during the War of 1812 (which extended some 200 miles from Port Hope to join the waters of the Georgian Bay at Dorset) the county had trails along the waterways. Indians were responsible for many of these.

In viewing the village and looking westward you will see a large impressive building with gothic roof style covering a plateau below historic Burk's Hill and overlooking the river running through Minden. From here one can see the boats and canoes passing on their way to and from Gull Lake. The forest clad hills never lose their appeal when viewed by the pioneer residents of Hyland Crest. As you cross the bridge and drive north you will get a closer look at this haven erected in 1965 for the comfort of the senior citizens of Haliburton County. An interesting factor re the building of this Home is the architect, Robert Fairfield of Fairfield Associates, a Toronto firm, who is a descendant of our pioneer United Empire Loyalists and related to a branch of this family settling near Minden in 1870.

Hyland Crest is surrounded by spacious grounds. There are six entrances and the atmosphere as you enter is so congenial that the visitor feels an immediate uplift of spirit. This can be verified by the noticeable improvement in health and spirit of many of the some sixty residents. The building consists of three wings arranged so all the residents' rooms have large windows extending the full length of the side overlooking the village. One wing accommodates the administration staff, a spacious auditorium and the little chapel wherein our local clergy hold services twice a week. The organist is one of the residents, Miss Dorothy Clarke, who for many years was the organist of St. George's Church in Haliburton Village.

The neat corridors lead to one, two and four bedrooms and so

arranged that one cares for bed care residents, having its private lounge and dining room. The large general dining room serves some thirty-five persons and is adjacent to the main lounge and library. The "Tuck" Shop serves as a private dining area for visiting guests of the residents. In the hall stands a wall cupboard containing many interesting "museum" articles owned and loaned by the residents. In the basement two large rooms are devoted to Arts and Crafts. Mrs. Rawlins is in charge of this department. Ladies of the various village organizations join weekly with the residents in sewing, making fancy quilts and other articles which are displayed at the annual bazaar sponsored by the Home.

Hyland Crest is equipped with an office for the visiting doctor, a "beauty" parlour and barber shop for the convenience of the residents. Daily mail and telephone service is also provided.

Among the members of the gifted staff we call attention to Mrs. Rawlins who is in charge of entertainment and is kept busy arranging the weekly tea parties sponsored by the various groups in Minden and surrounding area as well as card parties, musical evenings, shows, banquets on special occasions, picnics and bus trips during the summer months. The staff is composed of some forty devoted personnel with Mrs. Elsie Bursey as Administrator, whose efficiency and personality provides the welcome hoped for by all. The special pleasure in having your friends and relatives visit you and enjoy a private meal adds in making Hyland Crest a real "home". Mr. Sid Brown, a resident and an artist of note, fills all windows with beautiful Christmas scenes creating such a fairyland seldom seen indoors.

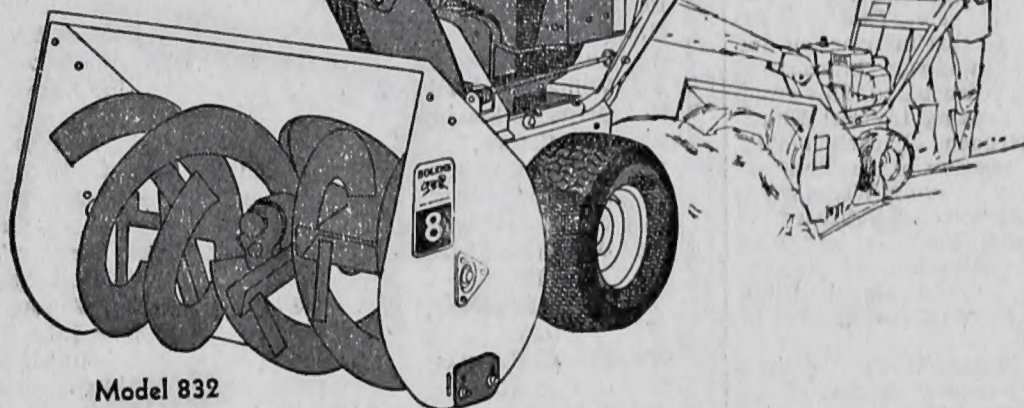

In ending this sketchy outline of this "home away from home", the writer feels that to maintain and have such environment demands the greatest love of humanity and ingenuity granted to those possessed with devoted service to mankind.

Jane H. Fairfield,
a resident.

Men's Commercial Bowling

On Wednesday evening in Haliburton District Men's Bowling the Rockcliffe Beer Nuts took over first place with a convincing seven-point trimming of last week's leaders, Modern Electric. Cox's Colts took seven from hapless Miles Road Runners as well. Haliburton Highballers squeezed out five of seven points from fast improving Ingoldsby to move into sole possession of second place.

The standings as of Wednesday, October 18, are: Rockcliffe 30, Haliburton 29, Cox's 25, Modern 24, Ingoldsby 18 and Miles 16.

The top seven averages in the league to date are: Eddie Cox 237, Jim Harrison 233, Ron Robinson Jr. 232, Cliff Burke 224, Bradley McKnight 218, Bob Austin 218, and Neil Burk 216. High single and high triple are still held by Cliff Burke at 343 and 861 respectively.

Senior Softball

The Haliburton Huskies and Minden Merchants went together this year and had a great ball party at Gelert Gardens. The party was a mixed affair, with live entertainment featuring Joe Peacock and Joe Turcotte. The Gardens served a pretty fair country roast beef dinner and the ball players from both teams, their wives and girl friends, would like to thank the Gelert Gardens management for a very beautiful evening.

Football - Schenley Predictions

The Schenley awards for this season should be the easiest choices in years for the Canadian sportswriters. My choices for this year are as follows: Rookie of the Year will go to Chuck Ealey of the Hamilton Tiger Cats; Lineman of the Year should go to Jim Stillwagon of Toronto Argonauts as he was robbed of the honour last season; Most Valuable Player this year will go to a man who has been overlooked for ten years in Garney Henley of the Hamilton Tiger Cats; and Top Canadian in this writer's opinion goes to Pete Ribbons of the Winnipeg Blue Bombers.

Minor Hockey

Another season of minor hockey is just two weeks away. The Haliburton hockey system has been one of the more successful organizations in Ontario and I see no reason why it won't continue this winter.

Next week I hope to have some of the minor hockey schedules. I will also try to have the names of all the Haliburton coaches and managers.

Guild Of Fine Arts News Items

On Thursday afternoon, September 28, the Weaving Group of the Haliburton Highlands Guild of Fine Arts met in the Gallery at Haliburton. A loom was set up and Mrs. Dixie Augustejn, President, gave instructions on Spanish Eyelet. Those present appreciated this information and also the weaving information which she distributed. This group will be meeting the last Thursday afternoon of each month, and all weavers of the area are invited. A Weaving Workshop is being planned for February.

A Design Workshop was to be held on Saturday and Sunday, October 21 and 22, with Mr. Walter Hickling being the instructor.

Mrs. Thilde Nevitt, Convenor of the Summer Exhibition, reports that she now has a full-time assistant in the person of Mrs. Mildred Carr of Eagle Lake. Mrs. Nevitt also reports that she has had a letter from Mr. Gerry Irish, Assistant Principal of the new Haliburton Highlands Senior Elementary School, stating that he now has fourteen assistants to help with the Children's Art Contest in connection with the Summer Exhibition.

Chamber Of Commerce Highlights

FROM THE DESK OF MARION ARNTFIELD

The "Highlights" will be brief this week — the office has been very busy, but it has been so with routine affairs.

Last Friday the first of our monthly newsletters were posted — this is something new, and in conjunction with Mr. A. Grier, Chairman of Publicity and Public Relations Committee, the letters will go out each month, mainly to keep our members informed as to what takes place at our monthly meetings.

I fully realize that the Board of Directors and the Committees of the Chamber were listed in the local papers AND in the newsletter. This was purposely done: (a) in the newsletter, to reach members who do not take either of our local papers and (b) in the local papers, for I felt this information may be of interest to non-members of the Chamber.

I attended the Annual Meeting of the Kawartha Tourist Association in Peterborough on October 18th, and found the meeting to be most informative, interesting and rewarding; and I came home with some new ideas to pass on to the Board of Directors when we plan for our own Annual Meeting in May of next year. I also had the opportunity of meeting some "key" people — people I had known by name only previously.

Tuesday, October 24, was to be our regular meeting, and I know all Board members and myself were looking forward to hearing Mr. J. Pillsworth's report on the Ontario Chamber of Commerce meeting held in Toronto on October 17th. From all accounts, it was an excellent meeting.

Tentative winter office hours are as follows: 9:00 a.m. to 12:30 p.m. and 1:00 p.m. to 4:30 p.m. (closed Saturdays and Sundays).

My apologies for an error I made in last week's papers — the number of visitors who signed the Guest Book during the summer was close to 2,000 (not 3,000 as stated) — however, I would safely say that there were

close to 1,000 who did NOT sign, as these were folks who called in for maps only or were seeking directions.

CHURCH NEWS

WHICH?

1. You are walking by faith or by opinion. Which? (i) To walk by faith is to walk by the word of God (Romans 10:17). (ii) To walk by opinions is to walk the way that men think that you should walk.

2. There are two classes of people in the world (i) Righteous (Luke 1:6; Psalms 119:172) and (ii) Wicked (Psalms 1). You belong to one. If you said Righteous then you are trying to the best of your ability to live according to God's word.

3. There are two great rulers in the world (i) Christ (Matthew 28:18; I Corinthians 15:23-25) and (ii) Satan (II Corinthians 4:4). You are serving one. Which?

4. There are two roads which lead to heaven (i) Narrow (Matthew 7:14) and (ii) Broad (Matthew 7:13). You are travelling one. Which?

5. There are two deaths which people die (i) In the Lord (Revelation 14:13) and (ii) In their sins (John 8:21). You will die in one of these deaths. Which?

6. There are two places to spend eternity (i) Lake of fire (Revelation 20:14,15) and (ii) Heaven (Revelation 21). You will go to one. Which?

"Choose you this day whom ye will serve" (Joshua 24:15).

GETTING OUT OF BABYLON THE GREAT

To those who were once his chosen people and who were in exile in ancient Babylon, Jehovah said, "I Jehovah am your God, the One teaching you to benefit yourself, the One causing you to tread in the way in which you should walk. O, if only you would actually pay attention to my commandments! Then your peace would become just like a river, and your righteousness like the waves of the sea. . . . Go forth, you people, out of Babylon!" (Isaiah 48:17-20). What Jehovah did there was for the benefit of those loving him, not to deprive them of anything good. By the conquest of Babylon in 539 B.C.E. he made it possible for them to leave Babylon as a free people. Ancient Babylon has ceased to exist. Yet God speaks of another Babylon called "Babylon the Great". And again he gives the command: "Get out of her, my people, if you do not want to share with her in her sins, and if you do not want to receive part of her plagues." (Revelation 18:4). In the previous chapter of Revelation, Babylon the Great is described in symbol as an immoral woman who sits over or controls "peoples and crowds and nations and tongues", and who has "a kingdom over the kings of the earth" and "commits fornication" with these kings (Revelation 17:1,2,15,18). This means that Babylon the Great is an empire. What kind of empire? Since the "kings of the earth", the political element, are said to "commit fornication" with her, Babylon the Great itself is not a political empire. The book of Revelation shows that when Babylon the Great is destroyed, the "merchants" of the earth stand at a distance and mourn; so it is not a commercial empire either (Revelation 18:15). Could it, then, be a religious empire? Well, religion has certainly had great influence over the political kingdoms, and its control does extend over peoples of the earth. But why should this religious empire be pictured by a prostitute woman guilty of fornication? Because it mixes religion and politics. As regards Christendom, the Bible shows that those who claim to serve God but are unfaithful and enter into relations with the political powers are viewed by God as spiritual prostitutes and adulteresses (Ezekiel 16:1,2,28-30; James 4:4). So true Christians would want nothing to do with a religion that mixes in politics. But why is this false religious empire called Babylon the Great? We'll discuss this next week.

Ray Zwidayk,
Haliburton.

Mark 50th Wedding Anniversary

Howard and Hattie Ackley received relatives and friends at the Wilberforce Fire Hall to mark the occasion of their 50th Wedding Anniversary. Mr. and Mrs. Ackley were married at Wilberforce on September 29, 1922, where they have resided since that time.

The children and grandchildren

presented the happy couple with a purse of money and friends gave many beautiful gifts to honour the couple.

Out of town guests attended from Oshawa, Whitby, Ajax, St. Catharines, Belleville, Port Perry, Harcourt, Highland Grove, Tory Hill and Haliburton.

Bowen-MacDuff Wedding Solemnized

On Saturday, July 22, 1972, at 3:30 p.m. a very pretty wedding was solemnized in the South Wilberforce United Church when Laura Geraldine MacDuff, the daughter of Mr. and Mrs. Lloyd MacDuff of Wilberforce, became the bride of Rodney Preston Bowen, son of Mr. and Mrs. Harold Bowen of Wilberforce.

Reverend James Gilcrest officiated at the double ring ceremony. Mrs. Brooking of Tory Hill was the organist and Mr. David Kelly was the soloist.

Given in marriage by her father, the bride wore a lovely A-line floor-length gown of crepe with nylon over top. The bodice, empire waistline and cuffs were trimmed with daisies with tiny pink ribbon weaved through the daisy trim. A flower headpiece held her floor-length nylon tulle veil trimmed with daisies which formed a train out behind her. She carried a bouquet of red sweetheart roses with ribbons falling to the bottom of her gown with red rosebuds.

The maid of honour, Mrs. Lorraine Casey, sister of the bride, was very charming in a floor-length flowered chiffon gown with empire waist and ruffles around the bottom of the dress. The bridesmaids were Mrs. Joan Lindsay and Mrs. Linda Bowers, sisters of the bride, and Miss Debbie Mumford, a cousin of the bride. They looked lovely in their identical floor-length flowered chiffon gowns as that of the maid of honour. The girls all carried a bouquet of pink and yellow roses with a few little orange flowers in between the roses to

match the colours in their dresses. Their bouquet had falling green streamers to the bottom of their gown. The girls had yellow rosebuds entwined in their hair to match their dresses.

The best man was Mr. Roy Casey, a friend of the groom. The ushers were Mr. Darryl MacDuff, brother of the bride, Mr. John Barker and Mr. Roy Hoare, also friends of the groom.

The flower girls were little Lisa Lindsay and little Marsha Bowers, nieces of the bride, who were dressed almost identical to the bride. They carried baskets of roses, the same as the other girls, and they had pink roses entwined in their hair. Accompanying them were ring bearers Master Lyle MacDuff, brother of the bride, and Master Dwain Lindsay, nephew of the bride.

The bride's mother chose a figured crepe dress with a beige crimplene coat, white accessories and a red corsage. Entwined in her hair were red rosebuds to match her corsage. The groom's mother wore a blue crepe dress with a blue crepe coat to match her dress, white accessories and a pink corsage.

The dinner was held at the Harcourt Hall, followed in the evening by a dance where the happy couple received many lovely and useful gifts.

The bride chose for travelling a white crimplene sailor dress with tiny pleats around the bottom, with a corsage of yellow roses.

The happy couple took up residence in Wilberforce.

Kenneth Fielding And Margaret Fawns
Wedding Held In Eagle Lake

The Community Church in Eagle Lake, tastefully decorated with coloured leaves, was the scene of a candlelight wedding ceremony on Saturday, September 30, 1972, when Margaret Alison Fawns, daughter of Mr. and Mrs. Harold Fawns, became the bride of Kenneth Arthur Fielding, son of Mr. and Mrs. Kenneth Fielding of Ingoldsby.

The bride entered the church on the arm of her father. She wore her mother's wedding gown, trimmed with Honiton lace. Her headdress was a Dutch style cap of heirloom lace. The bride carried a bouquet of marguerites and Fuji mums, arranged on a background of coloured leaves. Tucked in her sleeve was a lace handkerchief which had been carried by many brides in her mother's family.

Her attendants, who preceded her up the aisle to the music of "Jesu, Joy of Man's Desire", were Mrs. Debra Dart and Mrs. Peter Dean, both gowned in yellow and carrying bouquets of yellow marguerites on coloured leaves.

Miss Candice Schroter, a long-

time friend of the bride, played the organ throughout the ceremony.

The marriage was conducted by Reverend John Smith, and the young couple and their attendants signed the register in the presence of the congregation.

Dennis Casey was the groom's best man, and the usher was Stephen Fielding, brother of the groom.

The bride and groom are pictured above cutting their cake at Sir Sam's Inn, where they, their parents, and attendants received their relatives and friends.

The bride's mother wore a long gown of apricot brocade and the groom's mother chose a full-length plum-coloured gown which was trimmed with silver. Both wore a cymbidium orchid corsage.

The happy couple left on a short trip to the Thousand Islands, the bride wearing a mauve pant suit.

They will be living in Toronto where Mr. Fielding is employed with the Bell Telephone Company and Mrs. Fielding is on the staff of Toronto East General Hospital.

Snowmobile Association Comes Of Age

The Second Annual Meeting of the Haliburton County Snowmobile Association was held at Wilberforce on Tuesday, October 17. The first complete change of executive since the inception of the organization came about with that evening's elections, and the only former member to be retained was the Publicity Director who became President by acclamation.

The outgoing executive must be commended for their efforts in bringing the association through the uncertain and sometimes stormy period of organization. Working against lethargy, lack of interest and even doubt, such leaders as Pat Waddell and Carman Wright, demonstrating a firm belief in the validity of the association's objectives, were able to hold the group together until the first successes were won and the organization began to gain momentum.

Into the hands of the new executive, four officers and seven directors, has been placed an association that has earned recognition, is endorsed by the County Council and all the municipalities, and which will be looked to in the future for leadership in all matters pertaining to the snowmobile and for promotion of the county's winter recreational attractions.

Some notes about the newly elected executive - ten of the eleven members represent the four snowmobile clubs of the county, two are president of their club, one is a vice-president, one a secretary-treasurer, one is a reeve and member of the County Council, one is a councillor and a past president of the Haliburton Rotary Club, and two are the president and past president of the Royal Canadian Legion Branch 129. Obviously these ten men and one woman are dedicated public spirited citizens who can do the job required of them. All they will ask is the co-operation and support of every snowmobiler and the public of Haliburton County.

The names of the new executive are: Roy Bates - President (new address for H.C.S.A. is R.R. 2, Haliburton); Murray Fearrey - Vice President; Bernice Davis - Secretary (R.R. 1, Minden); Jim Davis - Treasurer; and the seven

Directors are Jerry Howarth, Fred Baum, Ross Warburton, Don Johnston, Don Pasquino, Joe Blair and Steve Berry.

Bell Canada Offers Bargain Month

Bell Canada began a new campaign to merchandise optional residence telephone service with the introduction this week of a special plan called Bargain Month.

For the first time Bell residence customers can have an extension telephone, contemporary phone, princess telephone, or any combination of the three installed without the normal \$9.00 installation charge. The order must be placed between October 23 and November 30 for installation no later than December 9th.

The same saving will apply to touch-tone, colored phones, jacks and plug equipment, and a number of other services, if the customer has them installed with his bargain month order.

The regular monthly charges for optional services such as contemporary, princess, touch-tone and extension service, and the regular one-time charges for princess and colored telephones will remain in effect. The \$11.00 installation charge for moving a service to a new address or to install a new telephone line will also apply.

Bargain Month will enable Bell residence customers to improve their telephone service by offering them optional services at nominal cost. It is expected to generate approximately \$1 million in additional revenue for Bell in 1973, and to add 40,000 telephones to the Bell network. All Bell residence customers in Quebec, Ontario, Labrador and parts of the Northwest Territories are eligible for the bargain month saving.
